From the PitsiCo Arena on Deimos, Mars, we welcome you to Orion Sports and Entertainment Promotions third annual cross promotional super show, **BATTLE-BALOO**. Hello, fans, I'm Kevin Kelly, play by play announcer for Ring of Respect Wrestling. Normally, I'm joined at ringside by my broadcast partner Steve Corino, but for tonight's holo-cast, I'm going to be joined at ringside for his final appearance as color commentator for Rings of Saturn Wrestling, former Heavenly Wrestling Association Heavyweight champion Victor E. Victor, I'm only saying that this will be your final appearance because at the conclusion of this broadcast, Rings of Saturn Wrestling will be no more. What will you be doing when Rings of Saturn Wrestling closes its doors?

VICTOR E.

That's a good question, Kevin Kelly. Personally, I haven't really given much thought into what I'll be doing. Hopefully there'll be another independent promotion looking for a color commentator and I'll be going onto my next job, but I think I'm speaking for all of the Rings of Saturn stars and say I'm just going to take things one day at a time. So with that, what do you say we get this show started?

Then let's take you to the ring with Ring of Respect Wrestling's ring announcer Bobby Cruise for the introduction of our opening contest, as the Romantic Touch makes his Ring of Respect Wrestling debut in a grudge match against ***The Kingdom's*** Matt Taven. Take it away, Bobby.

BOBBY CRUISE

This is the opening contest of the Orion Sports and Entertainment Promotions' ***BATTLE-BALOO 2129***. It is a grudge match scheduled for one fall. Coming down the aisle, from Los Angeles, California, he is accompanied to the ring by Maria Kanellis-Bennett. Weighing in at 212 pounds, he is representing ***The Kingdom***, Matt Taven. (Sultry electric guitar music blares through the speakers and red heart-shaped glitter begins to rain down from the ceiling as the Romantic Touch steps through the curtain. In his hand, he is holding a long-stemmed red rose, as well as a red heart-shaped ping-pong paddle.) His opponent, wrestling out of Lover's Township, New Jersey, weighing in at 235 pounds, the Romantic Touch.

VICTOR E.

Kevin, what's the deal with the heart-shaped ping-pong paddle? I don't get it. (The Romantic Touch presents the rose to a lovely female fan sitting at ringside before stepping into the ring.)

Well, Victor, on our last episode of Ring of Respect Wrestling *OVER-DRIVE*, which coincidentally was dubbed “Ladies Night” in honor of the entire Ring of Respect Women of Respect division wrestling their final matches on our weekly show, the Romantic Touch served as the guest ring announcer for the evening, and he promised that tonight not only was he going to give Matt Taven the beating he deserved for injuring his friend and Matt’s former All Night Hoopla tag partner Rhett Titus and putting him on the disabled list indefinitely, but he also promised to put Maria over his knee and give her the spanking *she* deserves. We’ll see if he makes good on that promise tonight. Referee Brian Gorle calls for the Code of Respect. Will we see it? Yes we will. The referee calls for the bell, and this match is underway.

What a devastating loss for the Romantic Touch, but I have the feeling that things are only beginning between these two. Fans, we've got a special guest with us at the announcer's table. He's traveled forward in time from 2015 to witness Rings of Saturn Wrestling's "swan song" matches. Please welcome with me the owner of Orion Sports and Entertainment Promotions, David Barnes.

DAVID BARNES

Thank you, Kevin Kelly. It's my pleasure to be here.

KEVIN KELLY

David, we've been seeing a lot of changes happening to both Rings of Saturn Wrestling and Ring of Respect Wrestling and I'm wondering what you're thinking about all of it.

DAVID BARNES

I'm thinking that you'd better make sure your lap bars are down securely and your straps are on tight, because this roller coaster ride isn't done yet.

KEVIN KELLY

You've got more changes in store?

DAVID BARNES

Yep. Right now, I'm looking into a permanent home base back home in Vandalia, Ohio or somewhere close by in 2015 and when I do, I'm bringing Ring of Respect Wrestling back in time to 2015. My plans are to have the [i]OVER-DRIVE[/i] and super shows coincide with the Ring of Honor Wrestling promotions weekly shows and pay per views.

ROR PPH-V Detailed Results

KEVIN KELLY

How are you going to keep the Ring of Honor fans from confusing Ring of Respect Wrestling shows with Ring of Honor shows?

DAVID BARNES

For one thing, Ring of Respect shows will be televised on Wednesdays, which will put them in a bit of competition with the WWE Network's NXT broadcasts. As for the super shows, once I bring Ring of Respect Wrestling to 2015, I'll be re-naming a lot of them in order to closely resemble those currently being used by Ring of Honor, such as Final Battle. Here in 2129, it's known as [i]FINAL VICTORY[/i], but when Ring of Respect comes to 2015, it'll be re-named [i]FINAL CONFLICT[/i]. But I'm getting ahead of myself. I've still got a few more ducks to line up before I pull the trigger on the move. But rest assured, when it happens, you'll be the first to know. Now, what do you say we watch our first cross-promotional match?

KEVIN KELLY

I'm sure that wherever Zack Paris ends up after tonight, you're going to be hearing a lot more from him. He's going to be a major star in someone's promotion. Fans, our next match features Ace Endehole, a former Rings of Saturn Wrestling champion before it was purchased by PitsiCorp, going one one with the British blue-blood Lord Alain Windsor. As everybody knows, in the Heavenly Wrestling Association, Lord Alain Windsor and the current [b]Rings of Saturn Wrestling Heavyweight champion[/b] Harvard Yale both rose to prominence when a bootleg holo-video of their very first one on one match with each other made its way onto the Galacti-Net and went viral, due to the nearly five-star performance both men put on. That video went on to win match of the year honors by one of the biggest wrestling sites devoted to independent promotions. Now, granted, I think it would've been only fitting if Yale and Windsor closed out Rings of Saturn Wrestling with one final match, but Euphoria earned the right to be Harvard's final opponent for the title tonight, so beggars can't be choosers, as they say.

What an incredible performance put on by both Ace Endehole and Lord Alain Windsor! I'm really going to hate seeing these two not wrestling in someone else's promotion. You've got major stars on your hands, there. Fans, it's time for our next inter-promotional match between the team of the "Black Sheep" Bennett Cole and "Luscious" Rocky Reynolds, the team of Criminal Justice in Ring of Respect Wrestling taking on the Rings of Saturn Wrestling's team of "Playboy" Mike Carter and "Sexy Superstar" Aaron Bell, the Quintessential Stud Muffins. The Stud Muffins are no strangers to Ring of Respect, just like Zack Paris in our previous inter-promotional match. In fact, they were known as the Full Monties when they began their careers in Ring of Respect and were managed at one time by Truth Martini, but they turned on him and joined up with the original "Quintessential Stud Muffin" Joel Gertner, who re-named the pair the Quintessential Stud Muffins. But all of that is ancient history, so let's take you to the ring and Bobby Cruise for the introduction to this inter-promotional match.

This is an inter-promotional tag team match scheduled for one fall. Coming to the ring first, representing Rings of Saturn Wrestling, at a total combined weight of 500 pounds, "Playboy" Mike Carter and the "Sexy Superstar" Aaron Bell, the Quintessential Stud Muffins. Their opponents, representing Ring of Respect Wrestling, at a total combined weight of 497 pounds, "Black Sheep" Benett Cole and "Luscious" Rocky Reynolds, Criminal Justice.

VICTOR E.

Kevin, do you think we're going to see interference by the Kings of Wrestling in this match?

KEVIN KELLY

ROR PPH-V Detailed Results

I don't think so, Victor. Everybody knows about the bad blood between those two teams, as Criminal Justice are former associates of the Dark Menace who turned on him at our last pay per holo-view, NO RESPECT, NO HONOR, and almost caused the **Dark Menace Forces** to disband permanently during the 8-Man Elimination Fight Without Honor match when Bennett left the ringside area and eliminated himself after not getting tagged in by either Michael Kai Rayne and then-member CM Punk, but Punk went on to single-handedly eliminate all of the remaining members of the "**Unbreakable**" **Army** and keep the team together before leaving the group and joining the House of Truth the next night. But I digress. Ring of Respect match maker Nigel McGuinness has already issued a directive to the Kings of Wrestling that if they interfere in this match between Criminal Justice and the Quintessential Stud Muffins, then Chris Hero and Claudio Castagnoli would forfeit their opportunity to face the Briscoes for the Ring of Respect Wrestling Tag Team titles. Should that occur, Nigel has assured the championship committee that he has a team on standby.

In my opinion, that was a OK match, but even though it seemed to be a crowd pleaser, it still wasn't anything to email home about. Perhaps if it went on just a little bit longer, it would've been a bit more exciting.

KEVIN KELLY

I'm inclined to agree with you Victor. Maybe this next match will be more to your liking. It's the title retirement match for the **Rings of Saturn Wrestling Women's Championship** between the "Brahma Bessie," "The Most Electrifying Diva in Rings of Saturn Wrestling History", "The People's Diva" Rockelle Johnson and the current **Rings of Saturn Wrestling Women's Champion**, Lady Contessa Windsor.

VICTOR E.

Kevin, do you think you could've stolen any more of Dwayne "The Rock" Johnson's old nicknames?

KEVIN KELLY

All of those old nicknames apply to the great-great-great granddaughter of the former mutiple-time World Wrestling Entertainment Champion.

VICTOR E.

Congratulations to the Skye-Scrapers on retiring the **Rings of Saturn Wrestling Tag Team Championship** as the final title holders. Wherever they end up in the future, if you'll pardon my pun, "The Skye's The Limit".

I was asked by Rex and Lex to deliver that line because we've got a ton of their "Skye's The Limit" T-shirts available at the official merchandise section of the Rings of Saturn Wrestling Galacti-Web page. Everything on sale is clearance-priced with prices so low, I'm not even allowed to mention it on this holo-cast. We've got everything from toys, posters, clothing, calenders, and even beverage containers, all at low, low, clearance-sale low prices. So go ahead and check it out, because once they're gone, they're gone forever.

The Dark Menace promised the Kings of Wrestling that he would lead them back to the **Ring of Respect Wrestling Tag Team Championship** titles, and he delivered on his promise. Congratulations to Chris and Claudio on becoming the two time Tag Team champions.

Kevin, I've got to ask you, what was Mark Briscoe thinking? He could've come in and saved his brother from getting pinned, but he just stood there on the apron and let it happen.

KEVIN KELLY

ROR PPH-V Detailed Results

My guess is that he was probably thinking that it was early in the match and that Jay could've easily kicked out of the KRS ONE.

VICTOR E.

That was true when Jay took it the first time, but after the second KRS ONE, I'm not so sure.

KEVIN KELLY

I'm sure that's something the Briscoes will be heavily discussing back in the locker room as well as back home on the farm in Sandy Fork. What an incredible close-out to the Rings of Saturn Wrestling promotion. We congratulate all of the wrestlers, as well as the Skye-Scrapers, for their wins and retiring their respective titles. In addition, we once again congratulate Kacee Carlisle on retiring the **Ring of Respect Wrestling Women's Championship** as its final champion. But now, it's time for our main event, as "Unbreakable" Michael Elgin defends the **Ring of Respect Wrestling Heavyweight Championship** against Cedric Alexander. But before we take you up to the ring with Bobby Cruise for the introductions, I'm being informed by the Ring of Respect Wrestling board of directors that there's been some further news concerning Ring of Respect traveling back to the year 2015. Orion Sports and Entertainment Promotions owner David Barnes has finalized a deal with the Dayton International Airport Exposition Center to become the official home for the weekly [I]WEDNESDAY NIGHT OVER-DRIVE[I] television broadcast, which has just been picked up by the Google-Tumblr Broadcast network, beginning Wednesday April 1, 2015 at 12:00 PM Eastern Standard Time.

So this will be the final holocaust for Ring of Respect Wrestling in the year 2129. It's been a great run, and we'll see you all in April 2015.
